LOCAL INTELLIGENCE.

THE ASHIM TRIAL.—Yesterday a jury of twelve men was impaneled in Justice Van Hagen's Court for the trial of the assault and battery case of the State against Ashim. The State was represented by District Attorney Goldthwaite and O. C. McDonald; the defense by H. I. Thornton and W. W. Bishop. The testimony was heard, and the case submitted to the jury without argument. After deliberating about twenty minutes a verdict of guilty was returned. A stay of proceedings was granted until Friday, when a motion for a new trial will be made. The trial yesterday excited a great deal of general interest, and the courtroom was crowded from the beginning to the close.

ALMOST A COLLISION.—Yesterday morning there came near being a collision on Main street, or rather, a two-horse vehicle came near being run down by a ponderous "prairie schooner." The driver of the two-horse wagon was in Main street just below Meadow Valley street, and the other team was coming down Main street at a greater speed than the driver desired. The last named found it impossible to slacken the pace at which his team was going, although one of his hind wheels was locked. However, the driver of the two-horse wagon managed to get out of the way, but he was not any too quick about it.

FEET FROZEN.—Martin Dennis, the colored man who had his feet badly frozen two or three weeks ago, is still confined to his bed, and it is not probable that he will be able to work of any kind for two months to come. In view of his unfortunate condition, a subscription paper will be circulated to-day in his behalf. This is a case in which the proverbial benevolence and charity of our citizens ought to be exercised.

FROM HILO.—Charles Heath and Wm. M. Wilson arrived in town yesterday from Hilo. Heath reports the snow four inches deep, which is the heaviest fall of snow in that valley since its settlement by white people. There was good sleighing all the way from Bullionville to Hilo. The health of the valley is very good, and events generally are going along smoothly.

GEO. H. MILLER.—Among those who went off towards the San Juan region was Geo. H. Miller, who is well known in Pioche and vicinity. His brother (P. B. Miller, County Clerk) has received a letter from him saying that he was well. The letter contained no news of general interest.

NOT CORRECT.—It was reported in town yesterday that a man had been shot in Bullionville, but we subsequently ascertained from a gentleman who came in at a later hour that there was nothing in it.

THAWING.—There was a continuous thaw all day yesterday, and a small rivulet was running through Main street from morning till night. The streets are of course getting worse every day, and will soon be in a shocking state.

RAFFLE.—The house formerly known as the Ely House, and used as a boarding and lodging house. Value, \$1,000; 400 tickets at \$2.50 each. As soon as all the tickets are sold the raffle will come off.

FESTIVAL.—The ladies of Pioche purpose getting up a festival for the benefit of Rev. H. B. Macbride, of the Presbyterian Church, who is about leaving this place.

NO CHANGE.—We have no change to report in regard to Marsh Pierce and his companions, who were injured in the Raymond & Ely mine on Saturday last. Indications are still favorable.

HIGH GATELY.—The man who had his legs broken on Christmas night, is still at the County Hospital. No unfavorable change has taken place in his condition.

JOSEPH THOMAS.—The man whose spine was injured by a pistol-shot wound some weeks ago, still lingers at the County Hospital.

DO NOT FORGET THE RAFFLE at Hamilton's this afternoon at 4 o'clock, for horses, buggy and harness. Come and see who will be the lucky man.

JOE JACOBI will be brought before Justice Van Hagen for a preliminary examination to-day.
